17th place in the ranking of best tourist destinations  
for the LGBT+ community

## An inclusive and respectful city of diversity

Montevideo is diverse in its colonial and modern architecture, in its gastronomical proposals, in its accommodation offer and its people.

It has advanced social legislation in the recognition of rights transforming it into a safe destination.

- » Enactment of anti-discrimination laws
- » Change of registered sex
- » Consensual union
- » Homoparental adoption
- » Equal marriage
- » Integral law for trans people

## A city of unforgettable experiences

**Montevideo is attractive, accessible, safe and diverse where you can find:** history, culture, museums, theaters, art galleries, shows, markets, antiquities, coffee shops, bookstores, traditional bars and restaurants, spa, saunas, “milonga”, tango, “candombe”, design circuits and shopping walks, wine tourism and outstanding points to enjoy the night in Montevideo.

## Why visiting Montevideo?

- Great and varied cultural offer
- City on a human scale: smooth urban mobility
- More than 9 000 hotel beds available in 3, 4 and 5 stars hotels
- Zero VAT for no residents on accommodation
- Tax free for any purchase
- More than 100 public spots with free Wi-Fi
- Customer support in information centers in Spanish, English and Portuguese
- Tourist information available 24 hours a day on self-service touch screens

## September celebrates Diversity Month in Montevideo

It is the right season to visit the city because you can find a large number of activities promoting the visibility of LGBT+ community.

### Tourist attractions you should not miss

**Gourmet gastronomy.** Markets are now a gastronomical and cultural reference changing the image of the city where different generations find a meeting point. In there, you can enjoy a great variety of national and international dishes, health food and gourmet cuisine.

**Architecture.** Montevideo has thousands of interesting historical places, buildings with high heritage and architectural value where coffee shops and bookstores with antiquities, exhibitions, design and green spaces combine all together.

**Wine Tourism.** Just 30 minutes from the Old City, you can enjoy cottages, tourist farms and family wineries that offer guided visits, lunches and wine tasting which highlight the main grape of our wineries (Tannat).

**Shopping Tourism.** Antiquities, art, design and multi-brand stores are some of the proposals to live the experience of shopping tourism in Montevideo. The city has various shopping walks in different neighborhoods, which offer open-air art, beautiful and different kind of bookstores, design markets, art and craft galleries.

**Nightlife.** The night in Montevideo has a wide variety of options for all tastes: bars, pubs, theme parties, nightclubs and casinos with different proposals to have fun. Also, you can find neighborhoods with craft breweries that mix games, live bands and stand up, among other shows.

**Cultural tourism.** Montevideo's cultural and historical offer can be enjoyed at any time of the year.

- Theaters with unforgettable proposals.
- More than 40 museums with exhibitions by masters such as Torres García, Figari and Gurvich, and original exhibitions, such as fragments of the colonial wall, the history of Uruguayan soccer and carnival.
- Music, ballet or opera with national and international artists are waiting for you in cultural centers and halls in the city.
- The longest carnival in the world is in Montevideo.
- Tango and candombe were declared Intangible Heritage of Humanity.

Guided tours where you will learn about culture, architecture, gastronomy and much more.
